

UAL Level 2 Diploma in Art and Design

Study Mode: Full Time Programme Component | Course Level: 2

Is this course right for me?

If you enjoy art and design and would like to develop your practical and creative skills then this course is ideal for you.

Art and design covers many exciting and innovative areas of the creative industries. This focused and intensive course is for those with enthusiasm and creativity and will prepare you for your future as the next generation of artists and designers.

This course will give you experience in different art and design disciplines, including 3D design, visual studies, textiles, illustration and graphic design. Each term you will work on a number of assignments and exhibit your practical work with an end of year final exhibition in the city centre. You will take part in practical workshops, lectures, debates, gallery visits and independent research.

You will learn new skills and develop experience in a number of specialist techniques and approaches from experienced and dedicated tutors together with a range of guest speakers. We will develop your creative potential while improving your understanding of visual communication.

To enable you to put the skills you learn on the course into practice, you will be expected to complete 30 hours of work experience. Students are expected to find their own work placements, however will be provided with support and guidance from teaching staff to find these. We have a small range of WEx opportunities available for over 18s including work experience in Florence Italy through the Turing scheme, and Walsall Art gallery.

Our creative arts courses have been named the best in the country and earned the college a prestigious national award. We have been named Training Provider of the Year at the Creative and Cultural Skills Awards 2019! Our creative arts department is forward thinking, innovative, committed and that's why we have been nationally recognised.

Awarded Arts Mark Gold status by Arts Council England for our excellent courses and links with employers we pride ourselves on producing work-ready students equipped with the skills and knowledge to be a success in the industry.

City of Wolverhampton College is an approved centre for UAL Awarding Body Level 2 Award and Diploma in Art and Design.

Also, if you earn less than £30,000 per year and aged 19 or over, you could study this course for FREE!

Entry Requirements

To access this course you are required to:

- Have four or more GCSEs at Grade D/3 or above
- Attend an interview with one of the college's admissions tutors
- Present a portfolio of recent art and design work in order to demonstrate your interest, enthusiasm and commitment to undertaking this level of course

What will I learn?

During this course you will study:

- Visual recording
- Ideas and concepts
- Visual communication
- 3D design
- Drawing from observation
- Contextual influences in art and design
- Illustration and working to a brief
- Graphic image making

What skills will I gain?

By studying this course you will:

- Be part of a programme of study that has excellent pass rates
- Be taught by our enthusiastic, experienced and talented art and design lecturing team
- Learn in a range of dedicated studios including graphics, 3D, fashion and print making
- Have the opportunity to use a wide range of artist and studio equipment, software and cameras
- Understand how all of the skills you are learning can be applied in the industry
- Improve your knowledge of what art and design industry opportunities are available
- Gain valuable team working and communication skills
- Improve your employability skills
- Learn in a creative arts department awarded "Arts Mark Gold" by Arts Council England for the level and quality of our education provision in creative industries

How will I be assessed?

The course is project/assignment based and assessment is continuous throughout the year both in lessons, set work and through observations. Each unit will be assessed and awarded with a final grade of pass, merit or distinction. Some units may be subject to external assessment.

What can I do next?

The skills you will learn from this course will enable you to:

- Pursue a career as a graphic designer, illustrator, architect, fine artist, interior designer, product designer, fashion designer and stylist, sculptor or concept artist
- Progress on to the UAL Level 3 Applied General Diploma and Extended Diploma in Art and Design or the UAL Level 3 Foundation Diploma in Art and Design.
