

NEBOSH HSE Introduction to Incident Investigation

Study Mode: Part-time | Course Level:

Entry Requirements

Candidates do not require any formal entry requirements in Health and Safety, however it is recommended that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language Testing System (IETS) score of 6.0 or higher in IELTS tests or GCSE English Language A*-C (9-4 new system).

What will I learn?

This one-day course provides health and safety champions with all the skills and knowledge to perform a thorough accident investigation

Moral, legal and financial arguments for investigations

Human and organisational factors that contribute to an incident

The process for investigating incidents

Positive interview strategies and the barriers to successful interviews

What skills will I gain?

Students will gain various analysis tools to identify root cause, fill in accident reports and complete accident investigations. Candidates will also have an overview of the Reporting of Injuries, Diseases and Dangerous Occurrence Regulations (RIDDOR).

How will I be assessed?

Production of an incident investigation.

What can I do next?

Nebosh National General Certificate
