

IOSH Fire Safety for Managers

Study Mode: Part Time | Course Level:

Is this course right for me?

The IOSH Fire Safety for Managers is at the cutting edge of fire safety training for managers and supervisors. You'll find a practical programme, full of step-by-step guidance, and a sharp business focus. You will also find that the content engages and inspires your staff - critical to getting the message embedded across the whole organisation.

The course is designed for managers and supervisors in any sector, and any organisation worldwide, who require an awareness of fire safety.

Entry Requirements

Candidates do not require any formal entry requirements.

What will I learn?

You will study the following modules:

1. Employer Responsibilities
2. Fire and Fire Safety Measures
3. Assessing Fire Risks
4. Creating a Fire Safety Culture

What skills will I gain?

- Improved organisation-wide fire safety awareness culture and appreciation of fire safety measures.
- Active staff involvement to improve the workplace.
- Enhanced reputation within your supply chain.

How will I be assessed?

Assessment is in the form of a multiple format assessment paper at the end of the course.
