

NEBOSH HSE Certificate in Manual Handling Risk Assessment

Study Mode: Part-time | Course Level:

Entry Requirements

Candidates do not require any formal entry requirements in Health and Safety, however it is recommended that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language Testing System (IETS) score of 6.0 or higher in IELTS tests or GCSE English Language A*-C (9-4 new system).

What will I learn?

On this one-day course learners will be equipped with the knowledge to help recognise, assess and reduce manual handling risks in their organisation.

What skills will I gain?

On completion of the course learners will;

Identify the importance of risk reduction, identify manual handling risks and their injuries and understand legal obligations.

Manual handling risk assessment and risk management techniques.

How will I be assessed?

Students will be required to produce a manual handling risk assessment using HSE MAC or RAPP Tools.

What can I do next?

Neboosh National General Certificate
