

Confined Spaces

Study Mode: Part-time | Course Level:

Is this course right for me?

This course is suitable for people who may have the need to work in 'Confined Spaces' such as sewers and tanks and/or 'Restricted Spaces' such as lofts and plant rooms. Would suit maintenance people, construction workers etc.

The course runs for 3 hours at a time convenient to you.

Entry Requirements

There are no formal entry requirements just a good understanding of spoken and written English

What will I learn?

An overview of current legislation and controls is the basis for this session.

What skills will I gain?

The aim is to manage work in these spaces and reduce potential risks.

How will I be assessed?

There is no assessment - a College Certificate of Attendance will be issued

What can I do next?

There are various other Health and Safety course to explore both short half-day and longer courses such as IOSH, Neboosh and NVQ's.
