

UAL Level 2 Award and Diploma in Creative Media Production and Technology

Study Mode: Full Time Programme | Course Level: 2

Is this course right for me?

Want to work in the TV, Film or Media industry? We have the course to help you on the first steps to your media career. Our UAL Level 2 Award and Diploma in Creative Media Production and Technology course will teach you the practical skills and media knowledge that will allow you to ultimately thrive in the media industries and be highly employable in the modern media workplace.

The media industry today is changing at rates faster than ever before and our UAL Level 2 Award and Diploma in Creative Media Production and Technology focuses on ensuring you are prepared for the industry that requires multi-talented people by training you in a range of media disciplines. This is a practical, work-related course which provides a detailed introduction to the world of creative media. Units are taught by using project briefs designed to give you experience of working in a professional environment, with a focus on real employability skills in the sector. You will learn about the creative media sector, job roles in the industry and develop your skills for success.

Our creative arts courses have been named the best in the country and earned the college a prestigious national award. We have been named Training Provider of the Year at the Creative and Cultural Skills Awards 2019! Our creative arts department is forward thinking, innovative, committed and that's why we have been nationally recognised.

Awarded Arts Mark Gold status by Arts Council England for our excellent courses and links with employers we pride ourselves on producing work-ready students equipped with the skills and knowledge to be a success in the industry.

City of Wolverhampton College is an approved centre for UAL Awarding Body Level 2 Award and Diploma in Creative Media Production and Technology.

Also, if you earn less than £30,000 per year and aged 19 or over, you could study this course for FREE!
